Event Information

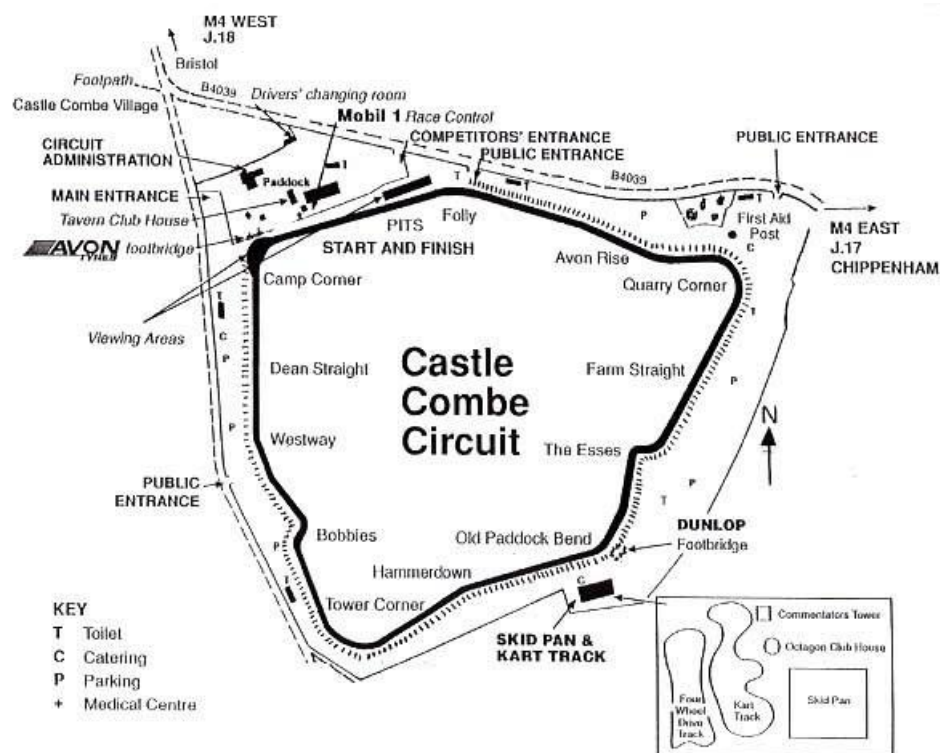

The Wessex Biathlon & Nordic Ski Club is pleased to host The “Wessex Biathlon Nordic Festival” in 2016, this is our 10th year of roller-ski racing. Building on the success of previous years we hope everyone has a great day. Castle Combe Circuit is situated to the west of the market town of Chippenham in the South West of England. The circuit regularly hosts motor-racing events and has also hosted both cycle and running races.

The circuit has an excellent tarmac surface ideal for roller-skiing.

The circuit is close to the M4 motorway and well sign-posted from all routes.

The Tavern Club House should be open from 09:00 on the race day, serving both hot and cold food and drinks (*cash only*). A cash-point facility is available on-site.

Changing for competitors will be in allocated areas. *(Please do not use the Tavern Club House Restaurant area to change and only consume food & drinks bought on the premises)*

Please note: Late entries will be subject to availability and for insurance reasons restricted to members of SSE/SSW/SnSc Affiliated clubs.

All racers must wear a cycle helmet and eye-protection whilst roller-skiing, in accordance with the British Series Rules. **In the event that the S2 roller-skis are unavailable on the day, the race will be conducted on competitors’ own roller-skis.*
