Event Information

The Wessex Biathlon and Nordic Ski Club is pleased to host our Nordic Ski Festival for the 11th year of roller ski racing at the Castle Combe circuit. Castle Combe is situated to the west of Chippenham in Wiltshire. The circuit regularly hosts motorsport and racing events as well as cycling and duathlon races.

The circuit has an excellent tarmac surface which is ideal for roller skiing. The circuit is close to the M4 motorway and well signposted from all directions. The Tavern Club House will be open from 9am on race day, serving both hot and cold food and drinks.

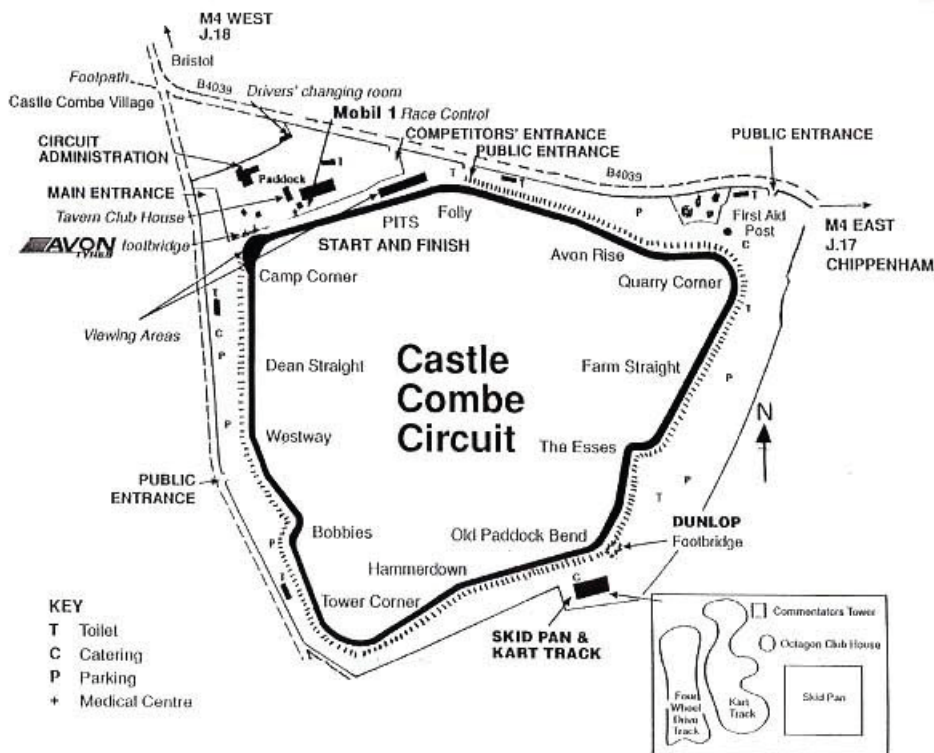

A freestanding cashpoint is also on the premises.

Changing areas for competitors will be in designated zones. The Tavern Club House should not be used for changing or kitting-up as any time.

Please note that late entries will be subject to availability and restricted to members of SSE/SSW and SnSc affiliated clubs.

Please note that times are approximate and may change on the day depending on circumstances.

The event will be run as a One-Design ski event, on Pro-Ski S2 roller skis. Roller skis must be used as issued and not adjusted in any way as this may compromise your safety and the safety of others.

Time*	Event

Race Categories: Senior, over 21. Masters, over 40. Junior, 18-21. Youth, under 18. Junior Youth, under 14. Novice, first nordic ski race.

The roller skis* only will be provided for the races and you will need to bring your own poles, boots and helmets etc, and your own roller skis to warm-up and train on.

All racers must wear a cycle helmet and eye protection whilst roller skiing, in accordance with the British Series Rules.

*in the event that the S2 roller skis aren't available on the day, the race will be conducted on the competitor's own roller skis.

For more information about the event please visit the Wessex Club's website, or contact the organiser.
